Dear President Darrell:

The Council on Postsecondary Education (CPE) has received Kentucky Wesleyan College's Supplementary Application for Notification of Change in Accreditation and Licensure Status pursuant to 13 KAR 1:020 due to Kentucky Wesleyan College's placement on probation by SACSCOC. In accordance with KRS 164.945 - .947 and 13 KAR 1:020 Section 7(1)(e), Kentucky Wesleyan College is hereby placed on conditional license for failure to comply with SACSCOC's Core Requirement 2.11.1 (Financial resources and stability) and Comprehensive Standard 3.10.1 (Financial stability), and Comprehensive Standard 3.10.3 (Control of finances) related to CPE's Standards for Licensure set forth in 13 KAR 1:020 Section 8.

This license is conditioned upon Kentucky Wesleyan College:

1. Submitting a written business plan to the CPE President demonstrating how the institution intends to address these issues at the time in which it is due to SACSCOC.
2. Emailing Ms. Sarah Levy notification that the college has submitted its Third Monitoring Report to SACSCOC, which is due by September 6, 2016.
3. Providing CPE with any SACSCOC correspondence related to the July 6, 2016 probation letter, including SACSCOC's response to the university's Third Monitoring Report.
4. Providing any other updates upon CPE request until such time as the university is no longer on probation with SACSCOC.

Once CPE receives assurance that Kentucky Wesleyan College has satisfied these conditions, CPE will remove Kentucky Wesleyan College from conditional license status. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of Kentucky Wesleyan College's license or an extension of the conditional license upon request of the institution with supporting justification.

Mr. Barton Darrell, J.D.
